Description:

- | | |
|--------------------------|--|
| - Subcategory | : Sensors and safety |
| - IND/RES | : IND |
| - Full package quantity | : 1 |
| - Unit | : set (1) |
| - Weight / Unit | : 0,06kg |
| - Material | : Plastic |
| - Product Family | : a 080 |
| - Marking | : Witt |
| - Commercial description | : d=12mm, Low Power |
| - Technical description | : Integrated diagnostic system with optical signalling by LED.
High EMV resistance, compatible to any kind of operator control. |
