Description:

- |                          |  |
|--------------------------|--|
| - Subcategory            | : Ventilation grill  |
| - IND/RES                | : BOTH   |
| - Full package quantity  | : 25   |
| - Unit                   | : piece (1)  |
| - Weight / Unit          | : 0,2kg  |
| - Material               | : ABS  |
| - Colour                 | : White  |
| - Height                 | : 138mm  |
| - Width                  | : 334mm  |
| - Product Family         | : a 041§   |
| - Marking                | : FF   |
| - Commercial description | : Our plastic ventilation grilles (louvers) are redesigned and improved. The new version features a higher quality of design, ABS material and a better way of screwing the grilles on to the door.  |
| - Technical description  | : The volume of air that flows through the grill is calculated with the air permeable surface: 21522mm <sup>2</sup> (= 0.021522m <sup>2</sup> ). The total volume will depend on airspeed and air pressure difference on both sides of the door. |
